	I										
CA area	District Name	Details about the District	** Technical Notes**	** Legal notes ***							
ASSEMB.		Turkock was not shift but Modesto was shift at the 122 and on-	Need further research as to CAPIFER's proposal and we need to do outreach to Merced and Stockton's API community to see about their preference; Direct Q2 to look at surname API	Question: how do we take into account population shifts in an area (i.e. if there are no ethnic populations left in the community how can you avoid retrogression? - Stan's question); ALSO: look into surname data as to the types of							
page 12 (sec. 5)	RVIMERCED	Turlock was not split but Modesto was split at the 132 and 99; northern track of Modesto has Asian VAP but not Black VAP and in order to increase BVAP ans AVAP you would have to do a curl to grab that population	communities in this district as well as into stockton/SJ Co. Also ask for population shifts from O2 in the numbers of BVAP and AVAP.	API communities to see where they reside - API in Merced versus in San Joaquin and Stanislaus							
page 14 (sec. 5)	RVIKINGS	to grab that population all of kings Co intact, into Kern Co - Kern curl reflects same directional curl as SD & CD; also grabs Weedpatch, Lamont and other COI testimony									
page 13 (sec. 5) page 13	SCLARAWMONT	Western Monterey and entire Santa Cruz county by not Pajaro; in Santa Clara County it includes Gilrov, San Martin and Morgan hill									
page 13 (sec. 5) page 6	RVIIMONT	eastern montery including Watsonville Shasta, Tehema, Gelnn, Colusa, Sutter, Yuba and Northern Yolo County split includes cities of Esparto and northern unicorporated parts of the County	Question: Butte was not able to be included in the								
(sec. 5) CV - Fresno	RIXYUBA RVISECTION2	parts of the County only split is Fresno which includes the southern half of Fresno along the 90 cooridor and Selma. Readly. Sanger, Orange Cove	SD & CD (check on this!)								
SENATE	RVISECTION2										
page 13		splits the city of Modesto, does noes include the city of Turlock (disimilar to AD); flatland of Madera Co, W. of 99 Fresno Co.; into San Benito; and into Monterey along the 101; Salida (N. of	Q: where to split modesto; also should be include Salida - which would not be with Modesto - or should Salida be included but parts of south								
(Sec. 5)	MERCEDMONT	Modesto	modesto would need to be "shaved off"  Q2: look at option to decrease the Kings "finger" northeasts finger where the 41 and 99 area to look at reducing the finger as well as the "dip" from								
page 13 (sec. 5)	KINGS	split of Fresno and Bakersfield as well as some aspect of the "Kern Curl"	Madera to even out population and conpactness of districts; to look at a slightly higher deviation to								
	KINOS	Cur	need to push this district north into the Monterey Bay area into Santa Cruz Co.; while keeping Ventura, Co intact and not splitting the Ojai Valley or include Santa Clara Valley; from Q2: simply cut off Vta Co and go north or do they go all the way to just south of Santa Cruz to keep								
page 16 (sec. 5)	MONTEREY	goes south into VTA co "grabbing" Santa Clara Valley communities: does not include Santa Cruz Co or Santa Clara split in Yolo similar to AD (just Northern Co); includes the lake	inline with Monterey not wanting to be with city of Santa Cruz?								
page 18 (sec. 5)	YUBA	Tahoe area; split in Placer and El Dorado were to incorporate the Lake Tahoe basin:	Myres (south of Tahoe) should be kept in the district along 50								
CONGRSS.											
page 20	WENGER	entire Merced, flatland of Madera; along 99 corridor and southern	can you eliminate the "finger" and push it back up into Merced? and give some of the finger to the								
(sec. 5) page 20	MERCED	cities of Fresno: western Fresno Co., west of the 99 with a couple of estern 99; all of Kings; some Tulare in the southwest; includes the Kern Curl	Tulare or Fresno district	also needs to be reviewed by GD for Sec. 2;							
(sec. 5) page 20 (sec. 5)	MONTEREY	again: Monterey, San Benito and parts of Santa Cruz (notes: Scotts Valley went into the Silicon Valley)		ACS data and RPV (?) data to be looked at							
		Santa rosa, Rohnert Park, Cotati, Napa, Sonoma together in this district; American Canyon not included (?); Northern Yolo Co. split a bit different than AD & SD) a little further north in the split; in order to maintain the footbills district of the sierras then I.	Consider Yolo Co in this district instead of the part of Sonoma district (which includes Santa Rosa); also considered Butte back in instead of Santa Rosa which would move Napa/Yolo into the Sac. county area of districts - but this was not accepted: ULTIMATELY take Sonoma Co out of accepted: ULTIMATELY take Sonoma Co out of the Control of the Control of the Control of the Control of the Control of the Control of the Control of the Control of the Con								
page 23 (sec. 5)	YUBA	split; in order to maintain the foothills district of the sierras then i pushed everything up north and then back down south again:	this district (particularly Santa Rosa) and look into putting Yolo in its entirety into this district								
Misc. Assembly											
		Del Norte, Sumbolt, trinity, Mendocino and Sonoma split; included cities: cloverdale, healdsburge, sebastipool, rohnert part,									
page 6 page 6	RIXDELMENDO RIXMTCAP	petaluma Mountain Cap district: Counties split were Placer and Nevada to be able to include Lake Tahoe area intact Napa and Lake and east of 101 in Sonoma County split	** Note: Sonoma has 2 splits and 3 distsricts for AD (see if this is fair based on other district splits)								
page 7	NAPALAKE	intact Napa and Lake and east of 101 in Sonoma County split (Windsor. Santa Rosa. Glenn Allen):	Travic airfield base with Exirfield (Stan)- Valleio								
page 8	MARIN	Marin Co, S. Sonoma Co. (cities of Sonoma, Txxx), SE tracts of Solono Co. (includes, Benitia, Valleho, Green Valley and split of Fairfield for pop. deviation) splits the city of Auburn; city of Folsom and included; split cities	idenifies with East Bay (Maria) - not so much with NApa - the bridge is not a barrier; look into exchanging Napa with the split of Fairfield; look into written public comment about Solono Co. as mentioned by Cynthia; check on the Aubum split into foothill district;								
page 8 page 8	WPLACERNSAC RVIELDORADO	include Citrus Heights Western Sac. Co. and very east part of El Dorado Co; small finger of Sac split: Wilton included and other eastern Sac. Co pop.	leaves Citrus Heights as a solit in Sac. Co.								
	RVIWESTSAC	West Sac., a bit of eastern yolo Co including Davis; and some of another N/W counties	with Vacaville								
page 8	RVISSACELKGR	South Sac, city and Elk Grove including Hmong community:	Walnut grove, too to get population to move the southern line northward: work on the Pittsburg and Antioch and that cooridor of the 4: make room for lodi and galt in Stockton district; look into taking out bethel island and oakley, knighton; also look into taking								
	ECONTRACOSTA	1/2 of Stans. and into southern SJ CO.; if Mantecca goes into	manteca out of the stockton district and into souther SJ Co. Lodi and Stockton together - try to keep Galt with Lodi, too; look into Tracy with Stockton and allow Manteca to go with South Co. and Stan.								
	RVIESTANESJ EALAMEDA	Purple then there's too much in the purple: Walnut Creek is split (only city); includes LaMirinda; Tri-Valley area: and into Supol:	/Modesto: see if you can do something with do not go into Tracy and over the altamont pass (michelle):								
	WCONTRACOST	Oakland split to Carkenize bridge; and into Alameda split; includes Emmeryville and Piedmont and Oakland Hills is where the split is;									
		takes the rest of Oakland and down into San Leandro; includes	look into taking out the Oakland Hills and bringing the finger back into the northern part of oakland; look into combining emmeryville into the Oakland district; choice of Emmeryville and Piedmont into Oakland - NEED TO GET PUBLIC TESTIMONY HERE to follow-up on Connie								
	OAKLAND	northern Contra Costa un to the bridge and into the eastern bay	preterring Emmeryville: Benicia and Vallejo are very different (Maria); Benitia (with Berkely) is identifies with east and Vallejo with West Contra Costa (Maria and Cynthia); Benitia into Stockton area and vallejo into the east hay area (askland etc.) if non needs								
page 11	PITTSANTIOCH	area along the 4: cuts off Discovery Bay Byron. Brentwood area	to be shifted around.  try to keep San Leandro together, especially if Vallejo is pushed south into the northern Oakland/east bay and then everything gets pushed south and maybe picking up the rest of San Leandro; NOTE: where is a good split for San								
	HAYWARD MILDREDDY	(nop based) and split of San Leandro on the north (about 23,000) (nop based) and split of Freemont to the south Milpedas down to Berryessa (based on streeet boundaries given in COI testimony)									
page 11 page 12	MILPBERRY SANJOSE	COI testimony) northern split of San Jose was to incorporate the Berryessa area's COI	maybe clean-up the southern San Jose split:								
			need to clean up the western boundary of the district to allow for transportation between northern and southern parts of the western
